Language Center News

The Language Center is delighted to announce that we have been awarded a small grant from the Pasadena Community Foundation. This grant will go to the purchase of two lap-top computers for the therapists to use with the children and a secure, locking cabinet to store our new computers. We are very excited about the new opportunities for speech and language therapy that these new computers will provide. We are also very grateful to the Pasadena Community Foundation for their support of our mission to provide for the children of our community.

The latest numbers for the Language Center show that we are currently serving 42 children and their families. Our therapists have put in 163 hours of therapy time. They evaluated eleven children and dismissed two. Now that all three therapists have full caseloads, our waiting room is often a wonderful jumble of loud and active children. We are so glad for their energy and for the chance to serve them. We offer our thanks to you for your continued support!

religious degrees, which are also referred to as the "Mystery Degrees." They comprise the 23rd to the 26th Degrees. The 23rd degree illustrates the Lesser Mysteries, knowledge that all may know. The 24th Degree teaches the mysteries of the Hebraic faith; the 25th, those of Islam; and the 26th, those of Christianity. These degrees teach the truths found in all faiths. The Truths of Masonry are contained within the religions of the World.

Every Rite Brother should re read the introductions to the Degrees in Rex Hutchens book, A Bridge to Light, especially the introduction to the 26th Degree. In the introduction to the 26th Degree Hutchens expresses the Nine Great Truths of Masonry and the Masonic Creed. These are taken from Albert Pike's Lecture for the 26th Degree, Prince of Mercy. Every Rite Brother should study the Lectures. To cease study would cause us to lose what we already have gained. We should all remember that even the sharpest sword, left too long in the scabbard, rusts and loses its edge. If all men were Masons and obeyed her mild and gentle teachings, The World would be a Paradise. Albert Pike, *Morals and Dogmas*, page 531.

On the outskirts of Babylon...

By Arthur H. Zabounian, 32^o, KSA
Librarian

A few days ago, I found myself resting on a Persian rug spread out under a 700 years old Oak tree. This majestic tree resides on the outskirts of today modern day Babylon (Los Angeles).

As I lay there admiring its beauty, I could not help but notice that I was not the only one doing so.

This gracefully aged Oak tree had attracted all sorts of God's creations – from wild vegetation, insects, birds, reptiles and beings like myself.

Somehow we all sought sanctuary under its centuries old branches that had bowed down to touch Mother Earth ever so gently.

In all her silent glory, she effortlessly evoked a feeling of sacredness that is passed on to all who are blessed to cross her path.

This Oak tree has endured the passing of time and with every season it has grown stronger and more graceful. Her wrinkles have outgrown the many generations who have sought her unconditional offerings.

I can't help but draw a parallel between this wise Oak tree and Masonry, and how timeless they both are to all who seek their shade.

Ill. Harold M. Hand, 33°

With the passing away, on April 28, 2010 last, of Ill. Harold M. Hand the Valley of Pasadena has suffered another grievous loss in the ranks of its dedicated leadership.

Our Brother, who observed his 93rd birthday on April 19, was born in Los Angeles and received all of his formal schooling in that city. Graduating with a Degree in Accounting from Woodbury College (now University). Shortly thereafter he was employed by Technicolor Corporation and worked there for more than the following 50 years. His civilian employment was interrupted by World War II where he was for 2 years or so on active duty with the Navy in New York State. He and his wife Helen, who were long time residents of Glendale, had been married for nearly 68 years and had 2 sons, Robert and Gary, and 6 Grandchildren and 3 Great Grandchildren.

Harold's long Masonic career starts in his teen-age years as a DeMolay he was Master Councilor of his Chapter and continued his support into his adult years where he was a Chapter Dad and Advisory Conference Chairman for seven years. Amongst his DeMolay Honors are the Degree of Chevalier and Legion of Honor.

Harold joined a Masonic Lodge in New York and after returning to Los Angeles he affiliated with Garvanza Lodge #492 (now South Pasadena #290) and was Master in 1957. He served as Master two more times after the first consolidation as Fellowship #290. Over the years he continuously served the Lodge in various capacities including Officer's Coach, Treasurer, Secretary, and Organist. He and Helen were also active in Eastern Star in leadership positions for both Chapter and Grand Chapter levels.

Harold's Grand Lodge activities lasted more than 2 decades, Committeeman nearly 10 years, Inspector for 8 years and Grand Organist 7 years. And he had continued to serve as acting Grand Organist when required at Grand Lodge Ceremonies. More than 50 years a Scottish Rite Mason he was a past Wise Master, Past Venerable Master, and was in several administrative positions such as Secretary for 2 years, Treasurer nearly 10 years and various Board memberships. He was invested a Knight Commander of the Court of Honour in 1983 and 33° Inspector General in 1991. In the written words of our late past Grand Master Ill. Roy Henville, 33°, Harold Hand was a great asset to Freemasonry and when the time came he would be greeted "Welcome home dear Brother true and trusted servant". That greeting has now gone out.

When Harold retired he never did really quit work. For some years he had been keeping the books for several of the organizations to which he belonged and continued for more years.
