## The P.R.'s Corner

Ill. Michael J. Bess, 33°

Brethren, May is the month set aside for our Spring Reunion. The Auditorium has been given a clean bill of health, our Class Room Director, Ill.: Jim Hoerricks 33°, all the Degree Masters, the casts and crews, wardrobe and makeup, sound and lighting are getting up to speed and we are looking forward to another outstanding opportunity to open the door to further light in Masonry to our spring candidates. Much thanks to all the Brothers that take part in the reunions, and to Ill.: Ed Griffiths 33°, Director of the Work, a thank you for his orchestration and coordination of all involved. The office staff, under the leadership of Ill.: Bill Rook 33°, has been hard at work tracking new applicants and seeing to the organization and printing of the reunion programs along with many other things that must be accomplished to assure a successful reunion. As you can see, many hands are at work behind the scenes, but none of their efforts and are worth their time if we do not have new candidates. That is where each of us play an important role. So, a very special THANK YOU to all the Brothers who seek out and bring in new members to our valley; your efforts are greatly appreciated and do not go unnoticed.

**Consistory**

Welcome to the month of May at Pasadena Scottish Rite. As this will be my first opportunity to contact everyone I would like to thank you so very much for the opportunity to serve as Master of Kadosh. This experience has been very rewarding to me as a three time blue lodge past master, and I know this will be one of the best years yet.

At our May Stated meeting we will be honored with a visit from Ill. Frederick Bernhardt Potentate of Al Malikah Shrine, and his lady, Paula as our guests. The schedule for May 2, 2014 is as follows: Stated meeting at 5:30P. M., reception at 6:00 P. M., dinner at 6:30P. M. and at 8:00 all will retire to our auditorium for entertainment. I hope that everyone can make this date with reservations because you will not want to miss it.

In May we also have the Spring Reunion, as well as a Masters and Wardens meeting. So there will be plenty to do this month. This latter meeting means that your officers are getting together to find ways to improve our fine organization and welcome any sincere suggestions.

The Consistory group, besides myself consists of : Simon McIlroy, Thomas R. Waite, Arman Petrosian, Jeffery L. McDonough, And Matthew S. Hyde.

Again thank you all for electing me as Master of Kadosh and hope to see you at the Stated Meeting.

## Women's Association News

The Merry Month of May is here. Can you believe its May already, how time slips away when you are having fun. And fun is what we have been having at our meetings with our getting to know you and craft programs. The May meeting is set aside to recognize our Past Presidents, hoping to see as many of you that can manage to be there. We would also like to see some more of our members attend our meetings we miss you. We are endeavouring to have a fund raiser later in the year and to this end we are working on a date.

## Language Center News

May is Better Hearing and Speech Month!!! This month speech and hearing specialists across the nation endeavor to raise awareness about communication disorders and promote treatment that can improve the quality of life for those who experience problems with speaking, understanding, or hearing.

Eight to nine percent of children suffer from speech disorders and many parents wait too long to seek treatment. This month is the perfect time for parents to learn how to recognize the early signs of these disorders through the Identify the Signs campaign, a national effort of the American Speech-Language-Hearing Association (ASHA). The campaign is designed to combat an overall lack of awareness about communication disorders—a major barrier to treatment for the more than 40 million total Americans who suffer.

Speech, language, and hearing disorders are among the most common disabilities in the United States. However, unlike many other disabilities, these disorders often are reversible and even preventable with early intervention. Unfortunately, many parents do not recognize the first signs of these disorders. In young children, early treatment can help prevent them from falling behind academically, socially, and in other key areas at a critical time in their development.

Each month, the Language Center helps some of the youngest children who demonstrate speech and language delays, giving them the push they need to perform at age appropriate levels later in life. This month the Center evaluated two children, discharged one child, and completed 92 hours of therapy for the 25 kids on caseload. We would like to say thank you to all those who so generously donate to the Language Center and allow us to continue to make a difference in the lives of children and families.
