Some Thoughts on Independence Day and the 16th Degree

The 16th degree of the Chapter of Rose Croix, Prince of Jerusalem teaches us that 'all of Masonry is work' and that 'labor, when properly understood, is both noble and ennobling and intended to develop man's moral and spiritual nature.' Work continues in your Valley in many ways, through activities your officers have prepared for your enjoyment and enrichment.

This degree additionally poses duties upon us. Among them are to judge fairly and equitably, keep faith in the justice and beneficence of God, press forward with hope for the persecuted and oppressed and direct and aid those who labor to build the Symbolic Temple. The degree asks if you will leave a noble heritage to those who follow you in this world.

Looking at the world around us, how do we apply that question to our daily lives? Personally, especially at this time of year, I look at the legacy of our country's Founding Fathers, I cannot help but be in awe of the heritage they left for us, as Americans and as Masons. They left a legacy that truly became a blueprint for the world to emulate.

Over the summer, let's think about our personal legacy and the noble work that remains for us to do.

Happy 4th of July to all and Happy Birthday, USA! Enjoy a safe and memorable Independence Day! God Bless America!

Sincerely & Fraternally,

Steven D. Klein, 32° KCCH

Greetings Brethren,

I hope all are having an enjoyable summer season. Whatever your plans are just be safe and have fun. The dress code will be casual through the month of September as we head into the middle of summer.

There are several fundraising events in our Valley and I urge each and every one of you to support them. These fundraisers will benefit the Pasadena Scottish Rite Childhood Language Center tremendously. One of them is our 3rd Annual Pasadena Scottish Rite Bowling Tournament on August 4th. Be sure to look out for flyers with information about this event and plan to participate.

Also mark your calendars and plan to attend our Stated Dinner on August 2nd, 2019. We will be presenting the Roy Henville Award to a very deserving brother. The Roy Henville Award is an award for outstanding service provided to Scottish Rite.

Finally, as we celebrate Independence Day on the 4th of July, let us not forget the sacrifices made by our forefathers, as well as the brave men and women of the military, law enforcement and first responders who ensure that these freedoms are maintained.

Sincerely and Fraternaly,

The Secretary's Memo Pad

Ill. William F. Rook, 33°

First of all congratulations to our newly elected Honor Men. You can find their names elsewhere in this bulletin. Be sure to give them your personal congratulations.

Membership wise, applications are slowly coming into this office. To date we only have 15 applications for the upcoming Reunion on October 25 and 26, November 1 and 2. Remember as a recommender you receive one free Stated Meeting Dinner for each candidate you sign for. Get 5 candidates and you get a year worth of Stated Meeting dinners.

Recommend 10 candidates and get all of the above plus free dues for 2020.

July 15 Supreme Council rolls over their computers to 2020. And dues invoices are started to print. Sometime in August or early September you should receive your 2020 invoice. It will indicate if you have not paid your 2019 dues.

Just a reminder that Honors numbers are determined by the amount of members we make Masters of the Royal Secret in 2019 and 2020. For 2017 and 2018 we had 99 new members. That led to two white hats and 4 red hats for 2019.

Remember that because of Independence Day the July Stated meeting is moved to July 12 and it will be the official visit of Ill. Frank Loui, 33° SGIG of the Orient of California. .

See you in September

The P.R.'s Corner

Ill. Rees Padfield, 33°

Brethren,

June and July 1776 were busy months for those in Philadelphia and around the colonies. On 11 June, Thomas Jefferson, John Adams, Benjamin Franklin, Roger Sherman, and Robert R. Livingston were appointed to a committee to draft a declaration of independence. During June 12th to the 27th, Jefferson, at the request of the committee, drafts a declaration, of which only a fragment exists. Jefferson's clean, or "fair" copy, the "original Rough draught," is reviewed by the committee. Both documents are in the manuscript collections of the Library of Congress. On June 28th the Congress debates and revises the Declaration of Independence. On July 2nd the Congress declares independence as the British fleet and army arrive at New York. On July 4th the Congress adopts the Declaration of Independence in the morning of a bright, sunny, but cool Philadelphia day. John Dunlap prints the Declaration of Independence. These prints are now called "Dunlap Broadside." Twenty-four copies are known to exist, two of which are in the Library of Congress. One of these was Washington's personal copy. On July 5th John Hancock, president of the Continental Congress, dispatches the first of Dunlap's broadsides of the Declaration of Independence to the legislatures of New Jersey and Delaware. On July 6th the Pennsylvania Evening Post of July 6 prints the first newspaper rendition of the Declaration of Independence. July 8th was the first public reading of the Declaration in Philadelphia. July 9th, George Washington orders that the Declaration of Independence be read before the American Army in New York.

While the fifty-six original signers did not all sign the Declaration on July 2nd they all eventually did and put their lives at risk as the English sought them out as traitors to the King and England.

The P.R.'s Corner Continued...

We live today in a society that is not all that interested in history and some are quite busy in trying to rewrite it. We owe our way of life, our freedoms, to the bravery and foresight of those men all those years ago. Our way of life has been guaranteed by many men and women since that time. A look at our National Cemeteries is a sobering example of their sacrifice for our country.

As we celebrate the 4th of July this year, please remember those who sacrificed their all for our country and those who continue to serve in our defense and safe being, both abroad and here at home.

A reminder, the dress code for our summer meeting dinners is casual. That means polo shirts or ugly wild Hawaiian shirts.

Childhood Language Center

Arthur H. Zabounian, 33°

Greetings from our Language Center,
On Saturday June 1st, more than 50 guests were present at our newly remodeled language center's ribbon cutting ceremony. At exactly 9:45am, our guests were escorted to the main entrance of our center, where they were greeted by our center's staff and several of our Board members. The space was crowded but quiet enough for all to hear my welcoming remarks.

Our history time line since its inception in 1995, the 1000th case milestone celebration in 2016 and some of the highlights were well received.

In addition, I was proud to announce the current positive status of our reserve fund and its 28% increase in value during the past 24 months, owed largely to our donors and supports.

Lastly, sharing with all the future plans that our Board has set forth to double our client base to 24 in the next 12 months while maintaining a balanced budget.

This short but joyful celebration did end with the cutting of the ribbon by Ill. Frank Loui, Chairman of the Board of the CSR Foundation, Ill. Rees Padfield, Personal Representative of our Valley and myself as the Chairman of our CLC Board.

With our newly remodeled center, vibrant staff and dedicated Board members the future looks bright for our Center and the children the we serve in our community.

Stage Manager

Michael DT Smith, 32° KCCH

Brethren-

The Pasadena Scottish Rite is known throughout the southern jurisdiction, and internationally, for the quality of our degrees. They are one of the many facets which makes being a member of the Pasadena Valley such a treasure. That said, these degrees are a lot of work to put on. Each performance has a lot of moving parts. From memorizing ritual and acting on stage, to the many rolls that happen behind the scenes while these productions are being practiced and performed. From wardrobe and make-up- to props, lights, and sound, the degrees that our valley puts on requires a lot of volunteers, and we are looking for your help.

So if you have ever wanted to know what the Wizards of Oz are doing behind the curtain, on July 20th, July 21st, August 3rd, and August 4th, stagecraft will be going through every degree from 4th-32nd to develop our new stage manuals, cleaning and organizing the prop department, and doing the annual check-up on our lighting and sound systems. We will begin each day at 10:00 AM and wrap up around 5:00 PM, with a break for lunch around 2:00 PM. So if you want to spend the day with us, the entire weekend, or just stop by for a couple of hours, all of you are welcome to participate.

We are looking to grow our stagecraft department. Ensuring that we can continue putting on the quality degrees Pasadena is known for, as well as preparing the Pasadena Scottish Rite to be the first valley in California capable of put on all twenty-nine Scottish Rite Degrees independently.

If you have any questions, please reach out to me at michaeldavid.t.smith@gmail.com.

Sincerely & Fraternally Yours,

Michael DT Smith, 32° KCCH

Chairman of VMAP Committee

Steven D. Klein, 32° KCCH

Summer is here and your Valley has a wide range of activities for you, ranging from family-oriented events such as the bowling or golf tournament to our more ritual-based Saturday discussion group and Master Craftsmen class. The tournaments not only provide great fun and chances to get to know the brethren, but also benefit our designated charity, the Language Center. Of course, I cannot leave out our stated meetings on our summer calendar. Come and let us enjoy fellowship with you! The doors are always open and you will be welcomed with open arms.

I will concentrate a bit more on the Saturday discussion group and Master Craftsman program, as the tournaments will get their due on other pages of our Bulletin. Last month, we read the 19th degree from beginning to end under the guidance and wisdom of our Venerable Master, Charlie Fisher. It was a profound, enriching pleasure to concentrate on just the beauty of the prose that Brother Pike left for us in the 19th Century, and whose message is still timely for the 21st Century.

Brother Charlie is a fine facilitator. We read the degree, and discuss the origins of some of its text - which Blue Lodge degree is alluded to here? Which book of Scripture does this passage come from? What is the symbolism of the degree? What is its moral teaching? This forum reads and studies every degree from 4th-32nd, including degrees we do not perform on stage, so this is really a marvelous opportunity to see much more of our teachings and ritual.

Immediately following our table read and discussion of the degree, I will lead the Master Craftsman program. Bring your quizzes and we can continue our Masonic discussions and help on any question you have.

With the assistance of Brother Kramer and Brother del Grande, we will go our semi-annual review of the VMAP program and Ambassador program, respectively. We have several months to build a large Fall Reunion class, and I hope all our Ambassadors and brethren will be visiting their blue lodges.

Please take your membership kits with you. If you need those materials, please contact the office. Supreme Council has prepared truly excellent booklets and brochures for you to present to any prospective member. Many thanks to Brothers Kramer and del Grande for their assistance.

Happy 4th of July to all and Happy Birthday, USA! Enjoy a safe and memorable Independence Day! God Bless America!

Lodge Ambassadors

Massimo Del Grande, 32° KSA

Dear Brethren,

The Ambassadors are now committed to mentoring new members for the 2019 Fall Reunion.

A meaningful Scottish Rite experience is what we desire to offer to both current and new members. The identity of our Ambassadors cannot be characterized as a member, who has little or only casual interest in the ongoing activities of the Scottish Rite. Nor is he someone who is not motivated by the goals and aspirations of the Scottish Rite. An Ambassador, is a driven individual who is dedicated to the Valley. This is demonstrated through his attendance and involvement in a significant way in one or more Scottish Rite activities.

An Ambassador is a mentor. He'll start introducing the candidate to the Scottish Rite prior to their initiation. Ambassadors will invite the candidate and their spouse to be the Valley's guest at a dinner prior to the monthly meeting. They'll lead an open discussion at the table to provide more information, answer all their questions and offer an overview of the variety of the Valley's activities. You may be asked by an Ambassador, to support the Valley as an Illustrious Brother, by joining the conversation so you can share your wisdom with the candidate.

The role of the Ambassador is to serve as a facilitator by helping the candidate to become a member and be actively involved in the Scottish Rite. Determining the new member's interest is an important part of helping the member be active. Understanding where their interests reside, such as; rituals, floor work, make-up, costumes, stage

crew, Masonic education, philanthropic activities, etc. will help the Ambassador know which areas to further expand on, as well as to facilitate introductions to the individuals that manage those areas of interest. The Ambassador will make records of these matters and periodically provide an update at the stated meeting for the benefit of all the members of our Valley.

Creating excitement about the Scottish Rite will generate more memberships. Excitement is contagious, so when that new member is excited, he'll also be proud to invite other Masons to join the Scottish Rite. My hope is that by faithfully implementing an Ambassadors Program, our worries become; that we'll need bigger places to meet, more degrees to confer and have more activities to benefit Masons and the community.

MAKING GOOD MEN BETTER HAS NEVER BEEN SO IMPORTANT!

Fraternally,

Massimo Del Grande, 32° KSA

Knights of Saint Andrew

Christopher N. Lebedeff, 32° KSA

Brethren,

As we head into the summer months and celebrate the beginning of our country in July, it is also important to remember where we began. The Knights of St. Andrew were formed in 2001 to serve our valley and to be the first line of responders in care of our valley. We regularly represent our valley at flag ceremonies in blue lodges along with helping carry out the mission of our language center in helping children speak. Internally, fellow knights help with running many different aspects of our valley from the office to our degrees. In memory and honor of those who have gone before Thank you.
