Lodge of Perfection

Greetings Brothers, Family and Friends, can you believe this is October. We are entering our busy season, qualifications in our lodges, elections, and installations in all the appendant and concordant bodies. This year as if we all know our reunion was stretched over several months and I cannot thank enough the hard working and talented brothers for their efforts and time to make it possible not only for us but specially for our new members.

A few congratulations are due to several of our members and not in any particular order, as you know we do have a new personal representative in our valley Ill. Gregory J. Gabriel 33°, who always amazes us with new ideas for the betterment of our fraternity.

To this year's Henville award recipient Brother Charles J. Fisher, 32° KCCH, he always been the quiet brother who cares about us all the time, he is always ready to help, my brother a BIG thank you for all you do.

To our Brother Hon. Ara Maloyan 32° KCCH for his unselfish dedication throughout masonry for many years which earned him to receive the honor of KCCH and to be the recommended to serve as our next Junior Grand Warden when elected in our 174th annual communication.

To our Brother Hon. Ben Masoyan 32° KCCH for his amazing love and dedication to our valley earned him to receive the honor of KCCH, he is another hard working individual and I do not think anyone can keep up with the energy he has, he is our energizer brother.

To our Brothers who received their 25 and 50 years of service honors, without your hard work it would not be possible for us to enjoy what we have today in our Valley, Thank You all and hope we can continue to make you all proud . October is when we also celebrate the Feast of Tishri with its ten toasts to the health of our members and our Valley. The feast has been adopted by the

Scottish Rite to remind us of the righteousness of God as exercised through the wisdom of Solomon as we are reminded of in our Masonic ritual. The toasts remind us of who we are as Masons and how God guides each of us in our lives.

In closing all I would like to say is Thank You for being who you are and what you do.

Thanks a Million In Advance!

## The P.R.'s Corner

### Ill. Gregory J. Gabriel, 33°

#### A Bittersweet Farewell

Last Month, the Valley of Pasadena was honored to host Conejo Valley Lodge #807, as they bid a masonic farewell to our brother, Worshipful and Illustrious Rees William Padfield, 33°.

The service was led by Past Grand Master, Most Worshipful Arthur Wiess, who is also a Past Master of Conejo Valley Lodge #807 of which Ill. Rees was a member. Many of his lodge brothers, along with members of the Valley of Pasadena, entered the auditorium in files of two, clad in white aprons to pay their respects to our brother and his family. The masonic funeral service was given by M.W. Wiess along with a very impressive eulogy of Brother Rees's life and accomplishments.

Guests, including brother masons, family friends, former coworkers from the Air Force and Rocketdyne Aero Space, gave remarks about the leadership and commitment Brother Rees had for his family, his career, his masonry and his community. The two words I heard repeated over and over were: leader and mentor.

I can personally vouch for both these qualities as he was truly a leader of this Valley and a true mentor to me and many other masons. He cared about our gentle craft, and he instilled those traits in others.

Following the guest remarks, the ROTC presented a military tribute to the retired Air Force Lieutenant Colonel with a rifle volley and a flag ceremony. There was not a dry eye in the house as the flag of our country was presented to the family.

Upon completion of the service, we proceeded downstairs to the dining hall for refreshment and repose as a slideshow was presented for all to see. It was a wonderful celebration of life, and we will miss, but never forget, our Worshipful Brother, Illustrious Rees William Padfield, 33°, Inspector General, Honorary.

I wish to thank the Knights of Saint Andrew for assisting as hosts for the afternoon.

## The P.R.'s Corner, continued...

Also, a thank you goes to Honorable Michael David Smith, 32°, K.C.C.H., who I had running around most of the afternoon helping with all the little details to make the program such a success. And of course, a special thank you to Conejo Valley Lodge, #807 for planning and executing a beautiful celebration that will stay in our hearts for many years to come. What a fitting tribute to our departed brother!

“Soft and safe to thee, my brother, be thy resting place. Glorious be thy rising from it, that we may meet again, to part no more. Until then, my brother...until then.”

## Childhood Language Center

Robert S. Artinian, 32° KCCH

On Saturday, September 16th, A memorial service was conducted for Illustrious Rees Padfield at Pasadena Scottish Rite. The entire arrangements were made by his home Lodge, Canejo Valley Lodge No. 807 and lunch was hosted by our Valley. Past Grand Master Arthur Weiss conducted the ceremony and our Personal Representative, Illustrious Gregory Gabriel was the Chaplain for this affair.

Illustrious Rees William Padfield, Our Personal Representative here at this Rite. He was a true Mason, a great mentor, and a true leader who led with a sense of direction, with kindness and always in a positive manner.

I had the privilege working with him on the Language Board for several years and saw firsthand how his leadership led the way. Always with a sense of purpose and always with kindness and empathy towards others

The number of people in attendance, approximately two hundred who came to pay their final respects to him, and his family is a testament to the impact he had on the people who knew him.

For all of us that knew him and worked with him, we are all the better for it. We will miss his leadership, his friendship, his counsel, and yes even his jokes, greatly.

Our heartfelt condolences to Mrs. Padfield and the entire Padfield family. Soft and safe to thee my brother, be thy resting place. Bright and glorious be thy rising from it.

## A Sponsor's Responsibility

For every petitioner for the degrees of Scottish Rite Degrees there is a Scottish Rite Mason who is his sponsor on whom rests the responsibility for proper training of the petitioner. The Scottish Rite Mason who signs the petition has a responsibility that does not end with their signature on the petition. If you invited a guest to a gathering at your home, you make sure that he meets all of your guest and is made welcome and comfortable. Isn't the man whom you recommend Scottish Rite Freemasonry entitled to the same courtesy? As his sponsor, is it not your duty to assist him with his work and take an interest in his progress? It seems to us that it is, and that you should see to it that he fully understands the fine lessons of our degrees. If you recommend a man to the Scottish Rite, satisfy yourself that he is receiving that for which you recommended him. To do so is but a Masonic courtesy and it is your duty as a Scottish Rite Mason.

## Knights of Saint Andrew

Dick Sauer, 32° KSA

Greetings Brethren from the Knights of Saint Andrew (KSA) Council of Nine at the Pasadena Scottish Rite (PSR)!

The Knights of Saint Andrews organization was founded to serve the needs of the PSR in any capacity needed, without question. The Knights are committed to aid and support all bodies within the PSR. When I joined the KSA we were challenged to be the first to volunteer for any request for aid or support when called for by anyone in the PSR. The KSA also supports the Blue Lodges within the Valley of Pasadena with Presentation of the Flag for all occasions. KSA members, distinguished by their Glengarry can always be counted on to aid and support all Masonic activities and events. The code of KSA evolved from the code of conduct of Medieval Knights who were bound by the code of chivalry on how to conduct themselves.

The KSA provides an invaluable service to the PSR and Masonry in general. For whoever is in need the Knights of KSA are there to help in any way possible. I gain a great deal of satisfaction in being able to help and support the members of PSR in all their endeavors and activities and as a new member of the KSA I am honored to wear my glengarry (cool hat) to show I am a part of a dedicated and committed organization serving the PSR and Masonry.

Upcoming KSA events:

October 21st

29° Scottish Knight of Saint Andrew as part of the PSR Reunion.

November 11th

Knights Feast hosted by KSA to raise money for the Pasadena Rite Care Language Center. The feast will be an evening of food, fun, and entertainment.

What is a Research Lodge?

“A research lodge exists for the purpose of encouraging the exploration of the history and philosophy of Freemasonry through the preparation and presentation of research papers. In America, there is usually only one research lodge in a grand jurisdiction, and it meets less often than regular lodges, perhaps only 2–4 times a year, with little or no ritual other than the opening and closing ceremonies.

At a typical research lodge meeting there will be one or more papers

read by members or occasionally an invited guest. Most research lodges publish the papers presented to them in annual transactions, which are a particularly rich source of regional Masonic history and biography.

The first research lodge in the world was Quatuor Coronati Lodge No. 2076, founded in London in 1884. According to the QC web site, "the nine [founders] were intent on using an evidence-based approach to the study of Masonic history and research into Freemasonry. This innovative approach was intended to replace the imaginative writings of earlier authors on the history of freemasonry. This new style and approach was later to be referred to as the 'authentic school' of Masonic research." The annual transactions of the lodge, *Ars Quatuor Coronatorum*, contain some of the best factual research into the history of Freemasonry.

Founded in 1930, the North Carolina Lodge of Research No. 666 was the first American research lodge. Its transactions, *Nocalore*, were published for 19 years and the lodge closed in 1954. The American Lodge of Research in New York, the second American research lodge, was founded in 1931, is still in existence, and continues to publish the *Transactions of the American Lodge of Research*. There are a score or more research lodges in the USA today, Royal Arch Chapters of Research, the Scottish Rite Research Society, devoted to Masonic research in general and the Scottish Rite in particular." (Websaite: SC33SR-SJ).

And recently, on July 26th, the California Hispanic and Latin American Research Lodge was founded. Its main objective is to promote to all regular Masons of the State of California the knowledge, study, analysis and deepening of our California Blue Lodge Spanish Ritual (Preston-Webb), likewise to exemplify and explore the symbolism of the Latin American Scottish Rite liturgies. It will unite the best of two Masonic eras, the traditional 19th century with the most mod-

For the brothers seeking more light in Freemasonry, lodges and research societies are an excellent option. The California Hispanic and Latin American Research is now open for our Master Masons.

**Women's Association News**

Gentlemen, thank you for sharing this newsletter with your lady

Dear Ladies,

This last month or so has been full of activities remembering dear members who have passed and looking ahead to important events and activities forthcoming with Pasadena Scottish Rite.

First of all, I would like to thank our Pasadena Scottish Rite for the wonderful events presented in memory of Illustrious Rees Padfield for his dedication and loyalty through the years to Pasadena Scottish Rite.

Secondly, I would like to thank Charles J. Fisher for coming up to our lounge to share his extensive knowledge of historic buildings in our area. According to Wikipedia, "he is an American published author and Los Angeles-based historic preservation activist who has successfully nominated more than 170 historic buildings as City of Los Angeles Historic-Cultural Monuments, as well as designated historic buildings for the County of Ventura and in the cities of Glendale, Monrovia, Ojai, and Sierra Madre."

It was a fascinating discussion and will be continued at our next meeting. There is much more to share. He joins us after the men's stated meeting for a fifteen-minute or so discussion.

All ladies are invited to join us in our lovely surroundings!

Sincerely,

Lynda
