Consistory

Greetings to the Pasadena Scottish Rite Valley! The month of May is an important one to Scottish Rite Freemasonry, for it was on May 1, 1786, that the Grand Constitutions of 1786 were alleged to have been adopted, which provided for a Rite consisting of Thirty-three degrees under the title of the Ancient and Accepted Scottish Rite and governed by a Supreme Council. This constitution shaped the structure of the Scottish Rite Freemasonry practiced in the United States today. A Supreme Council was then opened in Charleston, South Carolina on May 31, 1801, which established the “Mother Council of the World.”

Given our rich history of traditions and with our degree conferrals soon approaching, I would like to remind each one of our membership to invite at least one non-Scottish Rite Mason to come out and receive the Masonic Light that the Pasadena Scottish Rite Valley has to offer. I believe all that our brothers need is an introduction to Scottish Rite Freemasonry and they will realize the value added by attending our meetings. We already have a sizeable class, but it would increase the experience if the auditorium was filled not only with class members but also with members who help guide them to assist in our great work, in whatever manner suits them.

That being said, we are now in the spring season and we have begun the transition from the cool to warm months of the year. We are all now being showered with the great waves of the glorious light from nature, we should never forget that we are also being given the gift of internal light and it is our indispensable duty to share that light in all our doings. Always remember to invoke the blessing of the Great Architect of the Universe to endeavor to grant us safe passage through any journey which has be set forth before

each of us. This is speaking to having awareness of always attempting to project positive vibes when traveling across the planes of time and leaving a positive impression in every exchange of energy or should I say interaction one encounters in our daily lives.

To conclude and since we are seekers of light, I would like to impart a small spark of Masonic Light or Truth if you will. The concept of light used in language and in the philosophy of ancient religions and mystical orders can lead to a deep realization of its meaning through reflection and study. Light itself, through a simple Google search, brings up several definitions which are the following:

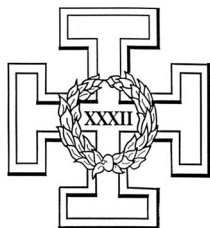

1. The natural agent that stimulates sight and makes things visible.
2. An expression in someone's eyes indicating a particular emotion or mood.
3. Understanding of a problem or mystery; enlightenment.

These definitions deal with some type of light, either inner or outer, by which we view things and learn valuable lessons. The term Masonic Light can also superficially be deemed to apply to intellectual enlightenment of one who has been engaged in the study of mental obscurity, with reference to the great questions of man's origin, being, and destiny. In our Masonic Travels symbols may be put along our respective paths, which may be interpreted by us at the appropriate time. These symbols are aids for revealing the mysterious connection between matter and spirit. Regaining Light is never in the destiny of any person, unless it is done with hard work and a true dedication. We should all work towards this study of the Eternal Truth of the Manifested Word, which may better prepare any initiate to receive the Unmanifested Word. As I end this, I will leave you with a quote:

“We have all the light we need, we just need to put it into practice!”
- Albert Pike

Meet the Master of Kadosh

Joel E. Castro, 32° KSA
Master of Kadosh, Consistory

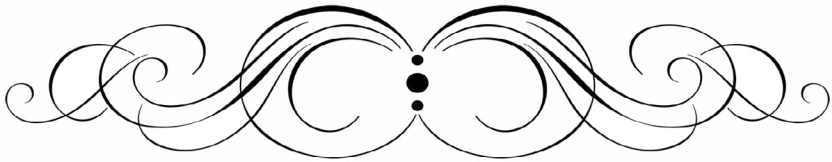

Joel Castro was born in Los Angeles, California in 1978 where he has lived most of his life in California while growing up. Joel quickly enlisted in United States Air Force following his graduation from Downtown Business High School in Los Angeles. In the military he primarily worked and supported F-16 Fighter aircraft in Operational Test & Evaluation and the United States Weapons School as an F-16 Avionics Maintenance Technician at Nellis Air Force Base, Nevada. After serving 4 years in the United States Air Force, he worked numerous jobs such as Home Depot Department Supervisor, Carpenter, and Biomedical Equipment Technician. Joel ultimately began and completed undergraduate studies at California State University Los Angeles and received a dual Bachelor of Science degree in Electrical Engineering and Physics. He is currently completing his Master of Science degree in Experimental Physics. While enrolled in university he began work as an Associate Electronics Engineer working with single-sided Compton backscatter X-ray Imaging for Non-destructive Testing, then as an Electronics Engineer improving designs for remote monitoring equipment for corrosion detection and protection, and currently is a Supervisor Electronics Engineer overseeing the Instrumentation Test Support Division for the United States Air Force Test Pilot School at Edwards Air Force Base, California.

Joel was raised a Master Mason in 2010 and he is currently a member of Reseda Masonic Lodge #666, the Southern California Research Lodge, Pasadena Scottish Rite, Al Malaikah Shrine, San Fernando Valley York

Rite Bodies, Cinema Grotto, Western Grotto Association, and the San Fernando y San Juan Council #105 Allied Masonic Degrees. He is currently the Worshipful Master of Reseda Masonic Lodge #666, Junior Warden of the Southern California Research Lodge, President of the Burbank Shrine Club, 1st Vice President of the Western Grotto Association, and a Past Monarch of Cinema Grotto.

A Sponsor's Responsibility

For every petitioner for the degrees of Scottish Rite Degrees there is a Scottish Rite Mason who is his sponsor on whom rests the responsibility for proper training of the petitioner. The Scottish Rite Mason who signs the petition has a responsibility that does not end with their signature on the petition. If you invited a guest to a gathering at your home, you make sure that he meets all of your guest and is made welcome and comfortable. Isn't the man whom you recommend Scottish Rite Freemasonry entitled to the same courtesy? As his sponsor, is it not your duty to assist him with his work and take an interest in his progress? It seems to us that it is, and that you should see to it that he fully understands the fine lessons of our degrees. If you recommend a man to the Scottish Rite, satisfy yourself that he is receiving that for which you recommended him. To do so is but a Masonic courtesy and it is your duty as a Scottish Rite Mason.

Masonic Pronouns... In today's world, pronouns are a very real concept. So, what are they? They are words that can function by themselves as a noun phrase and that refer either to the participants in the discourse (e.g., I, you, they) or to someone or something mentioned elsewhere in the discourse (e.g., he, she, it, this). To many, it defines who they are, or in some cases, who they wish to be. It is usually self-proclaimed and could change at any moment.

In the world of freemasonry, we also live by a variety of pronouns. But rather than being self-declared as the former, the latter is applied to one who merits it. It is not self-imposed, it is earned.

We use terms such as Master, Worshipful, Very Worshipful, Right Worshipful, Most Worshipful, Excellent, Honorable, Illustrious, Sir, Sir Knight, Illustrious Sir, Eminent, Chief, Pursuant, Sovereign, Governor, Commander, Toparch, Pharaoh, Companion, Cousin, President, even Dad. There are many more, but you get the idea. Some of these pronouns signify offices and powers of positions held, while others represent honors and recognitions received. Nevertheless, each one of these pronouns is a sign of respect and they are EARNED through hard work, dedication, love of the fraternity and the brethren and community they serve.

And yet, all these pale in comparison to what must be considered the most important pronouns of all...BROTHER and FRIEND. For no matter what our standing in masonry, no matter what rank or position or accolades may be attained, we are all BROTHERS and FRIENDS. We are a class of fellows "who best can work and best agree." And that is what separates us from other organizations and associations the world over.

You are blessed, my brothers, to be members of such a wonderful fraternity. May our gentle craft live on for many generations to come. May we serve our community and ourselves with pride, honor and a strong sense of accomplishment. We are Free Masons, Brothers and Friends.

Childhood Language Center

Robert S. Artinian, 32° KCCH

The Language Center continues to flourish as it currently administers therapy to twelve (12) children. In a short span of time, the number of children we are serving has almost doubled.

The Pasadena City College team has settled in, and we are collectively looking ahead to increase the number of children we are serving.

It will be our combined objective to continue to have a positive impact and to enrich the lives of children and their families that we serve to fulfill their full potential.

Please consider donating to benefit the Childhood Language Center. Visit the office to accommodate and assist you in determining the best option that best fits your needs.

Thank you for your continued support.

Do you know what Anderson's Constitution tells us? Do you know what the topic of the books is? If so have you read it? For those not in the know here is what it is.

The "Anderson's Constitution" is a foundational document in Freemasonry. It was written by James Anderson and first published in 1723. This document is also known as "The Constitutions of the Free-Masons," and it lays out the principles, regulations, and historical background of Freemasonry. Anderson's Constitution helped to standardize Masonic rituals, practices, and organizational structure, providing a framework for lodges to operate within. It's considered one of the most important texts in Masonic history and has been revised and updated over the years to accommodate changes in society and Masonic practices. It is about? If you do have you read it or any part of it?

We have copies in our library available for you to come and read. These copies are reserved copies and cannot leave the building but are available to read in our library.

Beginning in May I hope to have the library open on the first Friday of each month from 4:30 pm to 6 pm for those searching resource information. Come visit.

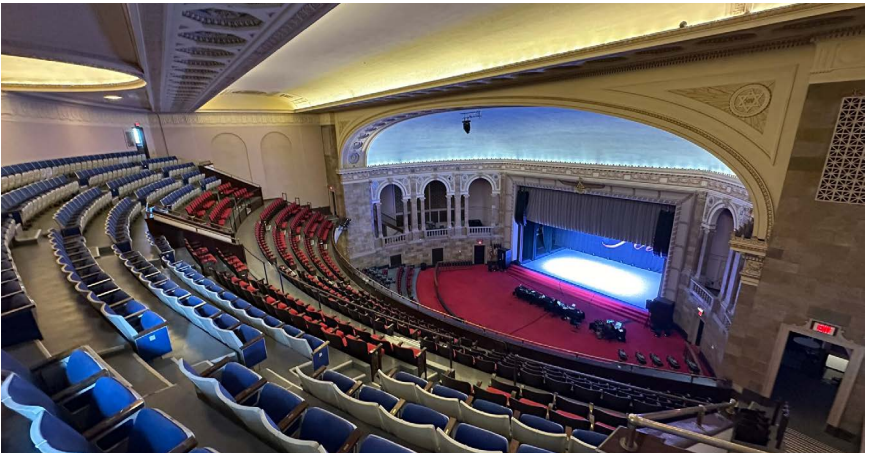

Fraternally,

Bill

Gentlemen, thank you for sharing this newsletter with your lady

Dear Ladies,

March 19th was the first day of spring! What factors influence and determine when this event will take place each year?

It is determined by the tilt of the Earth's axis and its orbit around the sun, which must be directly over the equator with its energy in balance between both hemispheres to receive an equal amount of the sun's energy. This year it was March 19th at 11:06 pm E.D.T.. The word equinox is made up of two Latin words meaning day and night. The Northern Hemisphere's spring is called the vernal (Northern Hemisphere) equinox. Beautiful flowers and new growth are sure to follow.

I trust we will certainly have a gorgeous spring given our ample rainfall the last few months.

Ladies, be sure to wear your name tags to the dinner and our meeting upstairs in our lounge.

If you don't have one yet be sure to ask, Sharon Ouellette our greeter downstairs for one when you arrive.

Sincerely,

Lynda Lockhart
